Thanks for the update.

Please can you invoice us for the inspections and reports before the end of March so I can pay it out of this year's budget even if some of the reports follow in April.

Cheers

Hi

I've just returned from a month off sick, so have been delayed a little.

By the end of this week we will have inspected 11 of the sites as follows:

L2, L7, L8, L15, L21, L51, L68, L70, N14/42, N22, N41.

We plan to complete a further 6 next week, with the intention being to complete all of the fieldwork by the end of March.

I will start sending the reports through next week.

Regards

I was wondering how the Reports were coming along for the Tip Inspections that sent you last year.

Do you know when we will be getting the reports?

I also need the invoice by mid-March.

Thanks
